Dear Geoff,

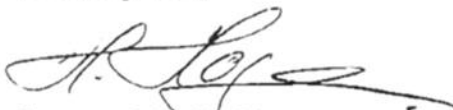

Thank you so much for all your assistance and hard work with our move from Melbourne to Adelaide in February this year. Your hard work was greatly appreciated.

It was wonderful not to have to worry about packing the house ourselves and being able to leave the horrible job of packing to you and your staff who did a marvellous job of packing a 36 Sq house in 2 days. Everything, including the car, arrived in perfect condition and on time.

We really appreciate your efforts in at all times keeping us informed of what was happening, both prior to and after the move. What ever you promised, you delivered and we have absolutely no qualms about highly recommending your company, your excellent service and not to forget your most competitive price.

It has been a pleasure dealing with you and we would like you to pass on our thanks and gratitude to all your staff and we wish you all success in the future.

Best regards,

Dan and Helle Hogan
